KRISTINA

09.26.2015

Angela Khalipa, 32, and Kristina Babiarz, 31, met during a job interview in 2009 (Angela was the interviewer; Kristina was the interviewee). The two started dating later that year and got engaged in 2014 on a family vacation to Florence, Italy. Surrounded by 140 of their friends and family, the couple was married at Mt. Woodson Castle in Ramona.

NATURAL BEAUTY

"We wanted something amazing but not over the top, so we let the castle's beauty speak for itself," says Angela.
